

## PET PORTRAITS MATERIALS LIST

A clear colour photograph or image of the pet, animal or bird for your project, not bigger than A4 size. This can include a background if desired

Background fabric (no larger than A3 square) strong cotton or linen union

An embroidery hoop if you use one

Scraps of fabric in colours that suit your animal, no stretchy or too textured ones, ie fake fur and feathers are not suitable

Background scraps in a variety of colours, small pieces

White or off-white thread for tacking

A selection of embroidery threads for machine (if desired) and hand stitching

A glue stick and pins

Buttons/beads for eyes

Ribbons, wool tops, string for embellishment
